Microsoft 365, computers, printers and office moves.

## Everyday office IT

Microsoft 365, mailboxes, laptops, printers and the office network. The useful outcome is that a new person can start work and that a failed laptop or mailbox has an owner.

## A move or a new office

We plan the outlets, the rack, the phones and the weekend the mail and files must follow the people. Support hours and visit frequency are then written into the agreement.

## What helps

How many people, where email is now, and whether the office is staying, moving or being refurbished.
