HR, payroll and attendance

An application for staff attendance and payroll information across more than one branch, with a view for each branch and for a region. Who prepares the payroll, and which reports are included, is set in the proposal.

Price on request
Supplied on request

Branches	Attendance records for the named branches
Regions	A separate view for a region, as well as for each branch
Payroll	The payroll information the business uses to prepare pay. Who submits it is set in the proposal.
Access	Sign-in for branch managers and for a head-office or regional user

Supply: yes · Installation: yes · Support: yes
